

To the Membership;

You and your commercial customers are invited to a Residual Feed Intake (RFI) Producer Day/Open House on **Thursday January 23, 2014** at Olds College, Olds, Alberta.

Please take this opportunity to come and learn more about the Canadian Hereford Research program and the development of a Feed Efficiency EPD.

The day starts at 10:00 and wraps up around 4:30. See below for a detailed schedule and the guest speakers.
