

Recognition Program – Commercial Hereford Breeders

Hereford Legacy Award

Purpose:

To recognize commercial cattle operations/families who have been in the cattle business for seventy-five years as a continuous business.

Criteria:

1. The nominated commercial cattle operation must have and continue to use Hereford genetics as a major part of their breeding program over the past seventy-five years.
2. CHA Board members, Provincial associations and CHA members can nominate commercial operations for the award.
3. The CHA Board will review and approve any nominations at a Board meeting.

Award:

1. A Bernie Brown picture or suitable picture of Hereford cattle will be professionally framed, with an engraved plaque on the frame.
2. Presentation of the award to be conducted at a suitable cattle event or function as selected by the recipient
3. Recognition in the October issue of the Digest. I.e. story and pictures
