DNA REQUEST

This form must be **returned to the CHA office** either by Email, Fax or Mail
DO NOT SEND THIS FORM TO LAB

Breeder # _____ Name _____

PURPOSE OF THE TEST: _____
 (i.e.: Genetic Abnormalities, Multiple Sires, ET, Overage, Breeding too close, etc)

If calving information is already **on record at the CHA**, list animals by complete tattoo &/or identification number:

- CHA Standard Test – GGP-50K \$57
- CHA Standard test – GGP 50K plus Horned/Polled Combo \$70
- Horned/Polled Add-On to existing GGP-50K \$10
- Polled \$35
- Freemartin (blood only) \$75
- Non-Standard SNP Test* (Parentage ONLY) \$25
(Please provide idents for all possible parents)
- Mandibulofacial Dysostosis (MD) Testing (Parentage Required) \$26

OR

Provide calving information below:

BREEDING DATA/ SERVICE INFORMATION				BIRTH INFORMATION							THE Only	
Sire Reg#	TATTOO	BREEDING			TATTOO	BIRTHDATE	SEX	TWIN	TWIN	H/P	COMMENTS	BW
Dam Reg#	TATTOO	AI/Nat	AI Date	ET	ANIMAL NAME (30 Characters Max) OPTIONAL							CE

NOTE: THIS IS NOT AN APPLICATION FOR REGISTRATION

** Important: A **Non-Standard Test** is acceptable **ONLY** to determine parentage from multi-sire pastures or any other situation where parentage is in doubt and is **FOR BREEDER USE only**. Should any of the CHA requirements arise at a later date, the animal must be re-tested with the CHA Standard Test.*
