

CJHA Honour Roll Kaitlyn Reid

Kaitlyn Reid was born in Regina, Saskatchewan and has lived in Saskatoon since 1999. She is currently attending the University of Lethbridge in the Health Sciences Faculty, with a Public Health Sciences major. Living in the city only increased Kaitlyn's interest in the family farm, The Cliffs Farm, which is Canada's oldest Hereford operation. She has been extremely active in the management of the family farm, ever since she received her first Hereford heifer of her own. Kaitlyn has been an active CJHA member for 13 years. Kaitlyn has attended 10 Bonanzas, served as President, Treasurer, and

Secretary of the Saskatchewan Junior Hereford Association, and is currently the CJHA's President. In 2007, Kaitlyn took home the Intermediate Grand Aggregate award. She has been instrumental to the success of the Calendar and Semen Donation projects in past years, and is looking forward to Bonanza 2011 in Saskatoon. Kaitlyn is an active member of her 4-H club, and is heavily involved in 4-H District #22 executive. She volunteers at a women's shelter in Saskatoon and with the Macroie Music Medley, was manager of her high school football team, assisted with school tours at the Saskatoon Fall Fair, and is also a member of the Canadian Charolais Junior Association. Kaitlyn attends many shows and sales every year and has consigned her own cattle to the Sask Proud

Sale, Lloydminster Bull Sale, and The Pasture Ready Bull Sale. She exhibited the Champion Heifer Calf at Bonanza 2007 in Truro, as well as being an accomplished cattle judge and public speaker, with the awards to prove it. Kaitlyn also attended the U.S. Junior Nationals in 2003. Kaitlyn's dedication to the breed, young people, and the CJHA is very much appreciated. Congratulations, Kaitlyn!
