

CJHA Honour Roll Michelle Schuepbach

Michelle Schuepbach, the daughter of Andy and Margaret, sister to Ruth and Daniel, of Lillybrook Herefords, near Claresholm, Alberta.

Michelle finished her third year of nursing at Mount Royal University in Calgary and plans to graduate in 2015, with a Bachelor of Nursing and move into the work force as a registered nurse. At the home ranch, Michelle has a fairly large herd of purebred Herefords among her family's cattle. She attended her first Alberta Hereford Junior Association (AJHA) show in 2006 and hasn't missed one since. Through the AJHA she's held a number of different executive positions such as Vice President, Secretary, Treasurer, Provincial National Delegate and is currently the President. She has attended five Bonanzas between the years 2008 and 2012. Michelle was an elemental member

in organizing and planning the "Junior Show Bonanza" during the World Hereford Conference in 2012. It was a great opportunity to show the world how diverse and dynamic the Canadian Junior Hereford Program is. She has always been a strong believer and fan of the Bred & Owned class offered at Bonanza, and took every opportunity to participate in it. Michelle is also very active outside of the Hereford Industry. In 2010, she participated as a candidate for her high school Prom for which she compiled a portfolio, did public speaking, was interviewed by a pane, learned how to dance and volunteered in the community. Michelle won the title of Prom Queen that year. Michelle's dedication and involvement within the Hereford breed, engaging other young people and with the CJHA is very much appreciated. Congratulations Michelle!
