

A FAMILY OPERATION

40 YEARS OF HEREFORDS

We are proud to present our Private Treaty Bull Sale offering for 2018.

Forty years ago, our relationship with Polled Hereford cattle began when Dad was hired as the manager of Kilmorlie Farms. Dad grew up on a farm near Lacombe, AB, and the area was the heart of Angus country at that time. Anyone coming from a similar background will appreciate that there may have been some doubt about working with these white-faced beasts when growing up learning to love the black ones.

Our goal is to always produce bulls that are structurally sound with extra performance, and keeping calving ease in check. Most important is for our customers to be confident that behind every one of these bulls is a mother you would be proud to have a field full of.

Forty years later, we remain as committed as ever to our Hereford cattle. They have earned Dad's respect and admiration ... and Mom's trust.

The bulls are developed on a 12% grower ration with quality forages, and are fed with soundness and longevity in mind. Each bull sells halter-broke, semen tested, veterinarian inspected, and fully guaranteed.

We raise Polled Hereford cattle for many reasons ... fertility, docility, longevity, convertibility, cross-ability just to name a few ... but efficiency is always a trait that we never take for granted when it comes to our Hereford cattle.

The most important economic trait is profit, and we believe these bulls are designed to provide you that. If you have any questions on our offering, don't hesitate to give us a call.

The bulls continue to develop very well, and offer the real world economic traits you need.

A big thanks to all of our past customers for showing your confidence in our program. Your success is our success!

-The Flewellings

			FCC 503W Betty 2Y	Remitall Marvel ET 120S			
				Remitall Alliance 503W			
				FCC 36N Betty 1S			

Like all of our Columbus calves, Empire has that extra length of body, and performance. His dam is one of our donor females with embryos sold to Europe, and Nathan showed her to an all-breeds championship at Farmfair a few years ago. This guy will add pounds, and leave you daughters you won't want to part with.

FCC 23B PARAMOUNT 14E

DOB	FEB 05 '17	BW	85	REG NO.	PC03033838	TATTOO	GCFH 14E

				FCC 102M Paradise 3S			

Paramount is a bull that is tough to fault. He is a long bodied calf with the thickness and soundness that will compliment any herd. His Crossover dam is a favorite of ours, and may have the best udder of any cow we own.

FCC 23B MARKSMAN 9E

DOB	JAN 23 '17	BW	78	REG NO.	PC03033834	TATTOO	GCFH 9E
BW	3.2	SIRE	SHF Tahoe R117 T100	SHF Rib Eye M326 R117

				WLB Shepherd 72M 54R			
				Elberfeld Rilla 13R			

If you like them moderate framed, big-topped, stout and soggy, Marksman is your man. His dam is a really attractive Worldwide daughter that we got from Top 50 Livestock, and she has done a great job for us. Her calves are always born little and vigorous, and Marksman was no exception. **Heifer Approved.**

FCC 23B SHOWDOWN 15E

DOB	FEB 12 '17	BW	80	REG NO.	PC03033839	TATTOO	GCFH 15E

			Tiell 19K Xquisite 25X	FCC 18R Cindy 22T			
				Tiell 517 Banger 19K			
				Tiell 8N Sheila 18S			

Rhino has done a great job for us, including siring our two champions pictured on the front page. Apollo is a sound-made, long bodied bull that carries that extra extension through his front end. His mom is a hard working Lincoln daughter, and his maternal sister that just calved will be a feature in our 2 year old female pen this year. **Heifer Approved.**

FCC 48Y CHROME 7E

				Tiell 23S Tanya 31U			

Chrome was the Reserve Grand Champion bull calf in the "Legends of the Fall" all-breeds show at Farmfair. No small feat, and to our knowledge, the only Hereford to have placed so high in that event. You will admire Chrome for his fluid stride, extra body, and overall muscle mass. The performance is there too as he weighed 1,160 lbs at 10 months of age. Add on the big, red eyes, red testicles, and cherry color, and Chrome is a bull that will strike you with his power, look and eye appeal. His dam is one of our donor females, with embryos sold to Europe.

Force is a nice profiling Tahoe son. He is a maternal brother to our herd sire, Smoke. His maternal sister was Reserve Grand Champion at Farmfair in 2015, and was the dam of one of our feature bull calves this year, Ultra.

Razor is a very correct made bull with lots of eye appeal. He combines Rhino with our Betty cow family, and his dam is a big bodied Alliance daughter who is always a favorite when we tour the pasture.

Conan's dam is the foundation cow of our Betty family, and definitely one of the most productive cows we've owned. The Betty's are known for their great udders and extra maternal strength. With his cherry red color, and big goggle eyes, Conan will leave you with a pen full of heifers you will not want to part with. **Heifer approved.**

THANK YOU

TO THE BUYERS WHO HAVE PURCHASED THEIR HERD BULLS AT FCC

FCC 23B Outlaw 8E Thanks to Parker Farms for purchasing Outlaw.

FCC 200Z Ultra 5E Thanks to Winchester Cattle Co. for purchasing Ultra.
