Blair-Athol 122L Amiga 47R PC02868097 – Oulton's Farm

For more information on the Mark of Excellence (MOE) show program, please read further, or visit www.hereford.ca

The Mark of Excellence (**MOE**) Program encourages and promotes the development of purebred Herefords through the show ring by:

- maintaining high standards of competition in Canadian Hereford Shows;
- assisting Fair Boards and Hereford Show Committees with organization and promotion of MOE Shows; and,
- recognizing outstanding animals

Gold Sires require a minimum of 50 show points, with individual progeny contributing a maximum of 20 points.

Gold Dams require a minimum of 35 show points, with individual progeny contributing a maximum of 20 points.

Silver Animals require a minimum of 30 show points.

The nomination fee for each of the above iceberg awards is \$60.00. However, a certificate may be obtained from the CHA office at no charge.

For more information please visit www.hereford.ca, or contact [Karin](#) at the CHA office.

****Please note that while a record of accumulated show points is kept at the CHA office, it is the member's responsibility to contact Karin at the CHA office regarding MOE Awards & verification of show points. It is extremely difficult to award Gold Dam and Gold Sire awards without member/owner/breeder/exhibitor input as to the identity of the progeny.**
