Airdrie, Alberta

The CJHA Heifer Lottery is a fundraising project administered by the CJHA to help junior members invest in building their own Hereford herds and widely recognize established Hereford breeders that support CJHA activities. Hereford breeders are contacted by CJHA delegates each year and asked to participate with an annual \$150 enrollment fee. This fee goes towards funding multiple Heifer Lottery vouchers that are won by active CJHA members at a draw held at Bonanza. These vouchers are used to offset the purchase price of the heifer sold. The number and value of vouchers available each year depends on the number of breeders that commit to the project. Vouchers can only be used by CJHA member named on the certificate, for the purchase of a heifer, at a recognized Heifer Lottery sale or private treaty breeder sale. The voucher is only valid until the next Bonanza, at which point it becomes void.

The Canadian Hereford Foundation is designed to bring together the Hereford breed for the purpose of advancing youth development, research, and education.

The Hereford breed has been a leader in junior programs in Canada through Bonanza for nearly 50 years. This next step is designed to do even more for Juniors but also for the NextGen age group that will lead the breed into the future. We believe that developing our young people into leaders and lifelong Hereford enthusiasts will benefit all of us.
